### Agreed-upon Procedures

The procedures we performed are as follows:

1. Obtained and checked the mathematical accuracy of the following:
  - a.) The Report;
  - b.) Schedule of planned use of proceeds from the Offering Prospectus; and,
  - c.) Detailed schedule of disbursements of proceeds for the year ended December 31, 2019.
2. Agreed total amount of disbursements of the Offering Proceeds shown in the Report to the detailed schedule of disbursements of proceeds for the year ended December 31, 2019.
3. Compared the disbursements of the Offering Proceeds shown in the Report with the schedule of planned use of proceeds indicated in the Offering Prospectus.
4. Inquired and identified the nature of disbursements of the Offering Proceeds in the detailed schedule and checked that such disbursements were consistent with the planned use of the Offering Proceeds.
5. Traced to and examined supporting documents of the disbursements in the schedule and agreed the total amount of disbursements per category in the Report.

### Results of the Performance of Agreed-Upon Procedures

1. With respect to item 1, we noted no exceptions on the mathematical accuracy of the Report and schedules.
2. With respect to item 2, we noted that the total amount of disbursements appearing in the Report is in agreement with the amount in the detailed schedule of disbursements of the Offering Proceeds.
3. With respect to item 3, we found the disbursements of proceeds in the Report as of and for the year ended December 31, 2019 consistent with the planned application of proceeds indicated in the Use of Proceeds section of the Offering Prospectus.
4. With respect to item 4, we noted the following:
  - a.) The details of the disbursements incurred for the year ended December 31, 2019 showed that the Company used the Offering Proceeds for the following purposes:

- **Pipeline Project Development**

The amount allocated for project development is intended to fund a portion of the development and construction costs for the Company's planned real estate projects, including but not limited to, costs related to design, planning and construction activities.

Planned and ongoing pipeline projects include 8912 Asean Ave. (formerly known as Aseana Four), Aseana Plaza (formerly known as Aseana Five and Six), Parqal (formerly known as Aseana Mainstreet 1), Aseana Mainstreet 2, Pixel Residences, MidPark Towers (formerly known as Parkside Place 1) and Parkside Place 2.

There were certain reallocations made within the pipeline project development; however, these did not result in change on the planned use of proceeds with respect to the total allocation for the pipeline project development as disclosed in the Offering Prospectus.

As of December 31, 2019, P1,996.4 million from the Offering Proceeds were released and used for this purpose. Disbursements for the year then ended amounted to P1,504.7 million broken down below:
